

Frequently Asked Questions

Do I need a referral?

No. You can book a hearing assessment directly without a GP referral.

How long does an assessment take?

About 45 minutes. Please allow an extra 10 minutes to arrive and complete forms.

Can I get a free hearing test?

The assessment is free for pensioner concession card holders. Otherwise it costs \$120.

Can children be tested?

Yes, for children over 7. For younger children, we refer to a paediatric audiologist.

Do you give medical advice?

Our audiologists assess hearing and recommend hearing solutions. For ear pain, sudden hearing loss or other medical concerns, please see your GP or call emergency services as appropriate.

How often should I have my hearing checked?

We recommend an assessment every two years, or yearly if you wear hearing aids.
