Hearing aid pricing

Hearing aids range from \$1,200 to \$3,800 per ear depending on technology level. Prices are confirmed at your assessment. We cannot quote an exact hearing aid price before a hearing test.

Payment options

- Card payments are accepted at all clinics.
- HICAPS private health claims are processed on the spot.
- Payment plans are available for purchases over \$2,000.

Prices are reviewed each financial year and may change without notice.
